

WHAT WE'RE ABOUT...

Our Camps are tennis intensive, tailored to give each player an in depth knowledge of the game according to their particular skill level. 10 and under kids will learn the quick start way. Older beginners will be taught the basic strokes, and given a good base to continue to enjoy the game. Our intermediate and advanced players will focus more on advanced stroke production, strategy, and game situations. Our goal is that each player has a positive experience & leaves with the love for the game which we all share here at RTC.
